

Community Hub Inc. Strategic Directions 2018 - 2021

Mission Statement

To build an inclusive, connected and informed community, through the creation of opportunities for learning, public participation and diverse partnerships.

Statement of Purpose

Community Hub Inc. (CHI) is a not-for-profit, volunteer-based organisation that is managed by its members, comprising community representatives and key stakeholders.

CHI recognises the importance of lifelong learning for all and how this impacts on equality. In order that community members can meaningfully participate in a community context, CHI is committed to creating learning experiences that meet community and individual needs for knowledge and skill development.

In line with our statement of purpose, Community Hub Inc.'s aim is to empower individuals so that they can participate at their own level of activity under the headings as indicated in the following strategic directions:

Lifelong Learning Opportunities

- Work to develop an understanding of the needs of the community. Create, provide and promote opportunities for further education and/or employment pathways. learning activities, services and supports.

Engaging the Community

- Talking and listening to the community. Ensure the communities' voice is heard, considered and actioned. Encourage community participation in Community Hub Inc. programs.

Being Sustainable

- Planning for the future of CHI, with a focus on finances, resources and opportunities for growth to maintain CHI Governance and programs.

Responsive Programs and Services

- Keeping up to date with what's happening within the community and ensuring programs and services meet community needs.

Partnerships

- Work together with other services, organisations and people to achieve positive outcomes for the community.
